Dear New Puppy Owner,

Thank You so much for choosing one of our puppies to become your newest best friend. We know this is a huge decision and want to help you through this in any way we can.

First a little bit about our puppies so you can feel confident in this new adventure...

Our dogs are part of the family, they are raised in our home (not a kennel) and have fantastic lives. We live on 5 acres in southern Indiana near a state forest and our little four-legged kiddos get to hike, swim, run and play. We do most things with our dogs and they get to socialize / interact with many small children and other animals like cats and our other doggies. They are loved and spoiled by their humans daily. (See the website for Pics)

The Dam and Sire are both purebreds from long lines of purebreds and reputable breeders. We have tracked 4 generations of AKC purebred bloodlines for both of them.

We prefer to feed and maintain the health of the doggies and puppies with Diamond Naturals Puppy food (we will send home a sample bag) and we stay on top of their health with products from Revival Animal Health and their Vet. The puppies will also be microchipped so they can be returned home if they ever get separated from you.

For the puppies - What can we say but "Puppies are Awesome". We love on and play with them several times a day. We also try to have them grass and potty pad acquainted by the time they are ready to go to their new Furever home. We will also send home the AKC registration packet, the Sire and Dam's AKC Lineage, and a goodie basket with Food for a few days, a blanket with mommies' scent for comfort, and a toy. They will also be up to date on all of their shots.

Due to COVID / Long Distances we are currently using Video Calls to facilitate early viewing of the puppies and will be happy to send pictures as they grow. Also our website will have pictures as they grow up and a way to connect to current and previous litter mates (and their humans). After 6 weeks we can have special arrangements for in-person puppy interaction depending on Social Distancing requirements of that time.

See You Soon,

The Bazzle Family
